

# KCOI QUALITY POLICY

**Kazakhstan Caspian Offshore Industries is dedicated project based organization in providing products and services that comply with all applicable requirements.**

**KCOI will focus on customer's satisfaction and needs of stakeholders by insisting on relevance of Quality Management System requirements and continuous improvement of processes.**

**Each KCOI employee plays a part in quality chain and is responsible for their own part of creating quality of products and services produced by KCOI.**

**Mirko Borghesi**  
Executive Director

**;** If we do something right from the beginning we wouldn't redo it later on'
